Erasmus Policy Statement (Overall Strategy)

D. Erasmus Policy Statement (Overall Strategy)

The Institution agrees to publish this overall strategy (all three parts) on its website within one month after the signature of the Erasmus Charter for Higher Education by the European Commission. ☒

Please describe your institution's international (EU and non-EU) strategy. In your description please explain a) how you choose your partners, b) in which geographical area(s) and c) the most important objectives and target groups of your mobility activities (with regard to staff and students in first, second and third cycles, including study and training, and short cycles). If applicable, also explain how your institution participates in the development of double/multiple/joint degrees. (max. 5000 characters)

Original language [PO]

A Escola é reconhecida e procurada a nível internacional pela qualificação do corpo docente, da sua formação graduada e pós-graduada e investigação em enfermagem. Promove a mobilidade científica, técnica e cultural de docentes, não docentes e estudantes e o desenvolvimento de formação e investigação em rede com instituições congêneres.

Objectivo estratégico 1: Promover o reconhecimento internacional da escola.

Objectivos operativos: Pertencer a organismos internacionais; Promover a visibilidade da Escola mediante os projetos internacionais.

Objectivo estratégico 2: Desenvolver redes e projetos de cooperação.

Objetivos operativos: Desenvolver redes com instituições congêneres; incrementar projetos de cooperação e estabelecer novos protocolos; Apoiar missões nos países de língua oficial portuguesa; Facilitar a mobilidade científica, técnica e cultural de estudantes, docentes e não docentes.

Promover a formação dos estudantes em ambiente internacional através da mobilidade, preferencialmente entre países de referência no domínio da Enfermagem e/ou Espaço Europeu, procurando tornar possível que cerca de 20% de alunos, entre estudantes da formação inicial e pós-graduada, façam um período de estudos no estrangeiro

Translation language [EN]

The School is recognized national and internationally due to the high qualification of the teachers, their graduate training and postgraduate education and research in nursing. Promotes the scientific mobility, technical and cultural of the teachers, non-teaching staff and students, as well as the development of training and research networking with similar institutions.

Strategic objective 1: To promote the international recognition of the school.

Operational objectives: Belonging to international organisms to promote the visibility of the School through international projects.

Strategic objective 2: Develop networks and cooperation projects.

Operational objectives: Develop networks with similar institutions; enhance cooperation projects and establish new protocols; support missions in countries whose official language are Portuguese; facilitate mobility of scientific, technical and cultural development of students, teachers and staff.

Promote the training of students in the international environment through mobility, preferably reference countries in the field of Nursing and /or European, trying to make possible that about 20% of students among initial students and post-graduate, to be able to make a period of study abroad.

If applicable, please describe your institution's strategy for the organisation and implementation of international (EU and non-EU) cooperation projects in teaching and training in relation to projects implemented under the Programme. (max. 2000 characters)

Translation language [EN]

Not applicable because there are partners.

Original language [PO]

Não se aplica porque não são parceiros.

Please explain the expected impact of your participation in the Programme on the modernisation of your institution (for each of the 5 priorities of the Modernisation Agenda*) in terms of the policy objectives you intend to achieve. (max. 3000 characters)

guy

Increasing the attainment levels to provide the graduates and researchers that Europe needs:

- . Improving the quality and relevance of higher education;
- . Strengthening the quality through mobility and cross-border cooperation;
- . Making the knowledge triangle work: linking higher education, research and business for excellence and regional development;
- . Improving governance and funding.

Original language [PO]

Aumentar os níveis de aproveitamento para fornecer os licenciados e investigadores que a Europa necessita:

- . Melhorar a qualidade e relevância do ensino superior;
- . Reforçar a qualidade através da mobilidade e da cooperação transfronteiriça;
- . Tornar o conhecimento triangular: ligando o ensino superior, pesquisa e negócios para excellence e desenvolvimento regional;
- . Melhorar a gestão e financiamento.
